

PRIVACY POLICY

How we protect and store personal information

Throughout this policy, we use the term "personal information" to describe information that can be associated with a specific person and can be used to identify that person. We do not consider personal information to include information that has been anonymized so that it does not identify a specific user. We use computer safeguards such as firewalls and data encryption, we enforce physical access controls to our buildings and files, and we authorize access to personal information only for those employees who require it to fulfill their job responsibilities.

How we use the personal information we collect

Our primary purpose in collecting personal information is to provide you with a safe, smooth, efficient, and customized experience. We may use your personal information to

- process transactions and send notices about your transactions
- resolve disputes, collect fees, and troubleshoot problems
- prevent potentially prohibited or illegal activities, and enforce our User Agreement
- customize, measure, and improve our services and the content and layout of our website
